

ICT ENABLED TOOLS

Teachers use ICT enabled tools for effective teaching-learning process. Today, it is essential for the students to learn and master the latest technologies in order to be competent in today's world. As a consequence, teachers are combining technology with traditional mode of instruction to engage students in long term learning. College uses Information and Communication Technology (ICT) in education to support, enhance, and optimize the delivery of education. The following tools are used by the Institute

ICT Tools:

1. Projectors - 07 projectors are available in different classrooms/labs/auditoriums
2. Desktop and Laptops - 70 Internet, Standalone and AFNET PCs are arranged in all the departments at the campus
3. Printers - They are installed at Labs, HOD Cabins and all prominent places.
4. Photocopier machines - Multifunction printers are available at all prominent places in the institute
5. Scanners - Multifunction printers are available at all prominent places
6. Seminar Hall - 02 seminar halls are equipped with all digital facilities
7. Smart Board - 04 smart boards are installed in the campus
8. Auditorium - 02 digitally equipped auditoriums with mike, projector, cameras and computer system
9. Online Classes through CISCO Webex
10. Digital Library resources (e-Granthalaya)

Use of ICT By Faculty

- A. PowerPoint presentations - Faculties are encouraged to use power-point presentations in their teaching by using LCD's and projectors. They are also equipped by digital library, online search engines and websites to prepare effective presentations.
- B. Connect Worldwide - Auditorium, Seminar and Conference room are digitally equipped where guest lectures, expert talks and presentations are regularly organized for students.
- C. Video Conferencing - Students are counselled with the help of Cisco Webex application.
- E. Video lecture - Recording of video lectures is made available to students for long term learning and future referencing.
