

**DATA ON ACQUISITION OF BOOKS / JOURNALS/
MANUSCRIPTS / ANCIENT BOOKS IN THE LIBRARY**

As IAM is a defence establishment and all the forms including data acquisition forms for library books are passed through the official channel, it is a restricted document. For the same reason it cannot be uploaded on the website. However, funds for acquisition of new books, journals, manuscripts and ancient books are being catered by Air Headquarters. The concerned document will be provided in person during DVV.

The fund allotted for acquisition of books for last 05 years is as follows:

Academic Year	Expenditure
2016-17	4,18,000
2017-18	3,88,000
2018-19	3,60,000
2019-20	4,25,000
2020-21	3,00,000
