

## LIBRARY USER PROGRAMMES/ LEARNER SESSIONS

The Institute of Aerospace Medicine is a Defence Institute, so it doesn't use the Integrated Library Management System (ILMS). But the Library at the Institute is equipped with e-Granthalaya, a Library management software for Indian Airforce. This system is developed and maintained by National Informatics Centre, ministry of Electronics and Information Technology, Government of India. The software is a cloud ready application and uses an open-source DBMS as back-end solution. the software is multi-lingual, UNICODE complaint, provides an online data entry solution. the current version of this software is web-based and hosted in Defence Network Cloud, for IAF Ref & Tech libraries.
